SPECIAL PICKUP GUIDELINES

- Special pickups must be requested in advance for material that does not qualify or is too large for the weekly refuse bag service. The cost of such service will be \$5.63 per cubic yard. The amount will be invoiced on the subscriber's utility bill.
- Household items shall be placed at the curb located in front of a subscriber's residence no more than five (5) days in advance of the subscriber's scheduled weekly refuse day.
- Loose items must be boxed or bagged. The weight of such containers shall not exceed fifty (50) pounds.
- Most general household items are accepted curbside. Common items include, but are not limited to: furniture, mattress/box spring, televisions, electronics, computer monitors, toys, appliances, outdoor grills, toilets.
- Items accepted but with additional conditions include the following:
 - Building material shall not be larger than four feet (4') in length and three feet (3') wide. No material shall contain nails that have not been bent over.
 - Carpeting or padding shall be in rolls no wider than four feet (4') and tied with a cord or taped.
 - Refrigerators and/or freezers must have the doors removed and the contents emptied prior to pick up.
 - Paint will be accepted with lids removed and remaining paint completely dry or thickened using cat litter or floor dry.
- It is prohibited to place brush, limbs, or other yard waste material for pickup.
- Ready to [request a special pickup](#) for your home? It is easy online!
