ARTICLE 9

GRIEVANCE PROCEDURE

Section 9.1 Definition and Limitation

The term "grievance" shall mean an allegation by an Employee that there has been a breach, misinterpretation, or improper application of this Agreement. It is not intended that the grievance procedure be used to effect changes in the Articles of this Agreement nor those matters which are controlled by the provisions of federal or state laws and/or by the United States or Ohio Constitutions.

Section 9.2 Grievance Procedure is Sole Method of Redress of Grievances

It is the intent of the City and the Bargaining Unit that this grievance procedure be the sole and exclusive appeal procedure for Employees. Any other appeal procedures which may exist outside the provisions of this Agreement under any state or local civil service laws shall not be applicable for such purposes and are hereby waived.

Section 9.3 Procedural Limitations

All grievances must be processed at the proper step in the progression in order to be considered at the subsequent steps.

Any Employee may withdraw a grievance at any point by submitting in writing a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal.

The time limits provided for herein shall be strictly adhered to and any grievance not submitted initially or appealed to the next step within the specified time limits shall be deemed as invalid and void; provided however, that any grievance not answered by the City within the stipulated time limits may be advanced by the Employee to the next step in the grievance procedure. All time limits on grievances may be extended upon mutual consent of the parties.

Section 9.4 Procedure for Employees and the Bargaining Unit

It is the mutual desire of the City and the Bargaining Unit to provide for prompt adjustment of grievances in a fair and reasonable manner, with a minimum amount of interruption of the work schedules. Every reasonable effort shall be made by both the City and the Bargaining Unit to affect the resolution of grievances at the earliest step possible. In furtherance of this objective, the following procedure shall be followed:

Step 1:

In order for a grievance to receive consideration under this procedure, the grievant, with an appropriate Bargaining Unit Representative if the grievant desires, must identify the grievance to the Employee's immediate supervisor, in writing, within twelve (12) calendar days of the Employee having, through the exercise of reasonable diligence, knowledge of the occurrence of the incident giving rise to the grievance. The Employee's immediate supervisor shall be the next higher ranked Non-Bargaining Unit employee on duty when the grievance

occurred. The Employee's immediate supervisor shall investigate and provide an appropriate answer within six (6) calendar days following the day on which the Employee's immediate supervisor was presented the grievance. If the next highest ranking Employee is the Department Head, proceed to Step 3.

Step 2:

If the grievance is not resolved in Step 1, the grievant, with an appropriate Bargaining Unit Representative if the grievant desires, may take up the grievance, within six (6) calendar days of the immediate supervisor's response, with the Department Head. The Department Head shall investigate and respond to the grievant and/or Bargaining Unit Representative within six (6) calendar days after receiving the Step 1 reply.

Step 3:

If the grievance remains unsettled, it may be presented, by the grievant, with an appropriate Bargaining Unit Representative if the former desires, within six (6) calendar days of the Department Head's response, to the City Manager. If requested by the grievant, the City Manager shall schedule a meeting between the parties or respond in writing within six (6) calendar days. If a meeting is scheduled, the City Manager shall have six (6) calendar days following the meeting in which to respond.

Step 4:

Grievance mediation is an option that is available to the City and/or the Bargaining Unit after Step 3. Either the City or the Bargaining Unit may request that a grievance be mediated rather than being appealed by the Bargaining Unit directly to arbitration. Mediation will occur only by mutual consent of both the City and the Bargaining Unit, the City and the Bargaining Unit agree to use Federal Mediation and Conciliation Service (FMCS) as mediator, and to abide by the rules set by FMCS. Mediation may be requested within six (6) calendar days following the Step 3 reply.

Section 9.5 Final and Binding Arbitration

Should any grievance remain unsettled after exhausting the aforementioned procedures, the City and/or the Bargaining Unit may, if the party desires, request arbitration within ten (10) calendar days after failing to settle the grievance as outlined above. Any grievance not submitted to arbitration within such ten (10) calendar day time period shall be deemed settled on the basis of the last answer given by the Employer.

Within ten (10) calendar days following the request for arbitration, the City and the Bargaining Unit shall meet and attempt to mutually agree upon an arbitrator. In the event such an agreement is not reached, either party may request the Federal Mediation and Conciliation Service to submit a list of fifteen (15) qualified and impartial arbitrators. Either party may request a second such list of arbitrators if the initial list is determined to be unsatisfactory.

The parties shall select a single arbitrator from such panel, via the alternate striking of names method. The party requesting arbitration shall be the first to strike and so on until only one (1) name remains who shall be the arbitrator.

Section 9.6 Arbitrator: Methods and Limits of Authority

The award of the Arbitrator shall be reduced to writing. The Arbitrator shall not be empowered to rule contrary to, amend, add to, modify, change, or eliminate any of the provisions of this Agreement. The Arbitrator shall expressly confine himself to the precise issue submitted for arbitration and shall have no authority to make an award on any other issue not submitted to arbitration.

Section 9.7 Decision Final and Binding

The decision of the Arbitrator shall be final and binding on the City, the grievant, and the Bargaining Unit.

Section 9.8 Expenses of Arbitrator

Expenses attendant to the services of the Arbitrator shall be borne equally by both parties.

All other expenses shall be borne by the party incurring them, unless otherwise provided for in this Agreement (for example, time spent at a hearing by the Bargaining Unit president, and/or the Employee/grievant as per Article 6). Neither party shall be responsible for the expenses incurred by the other party.

Section 9.9 Information Required in Grievances

All grievances must contain the following information to be considered and must be filed using the grievance form mutually agreed to by both parties:

- A. Aggrieved Employee's name and signature
- B. Aggrieved Employee's classification
- C. Date grievance was filed in writing
- D. Date and time incident giving rise to the grievance occurred
- E. Where incident giving rise to the grievance occurred
- F. Description of incident giving rise to the grievance
- G. Articles and sections of agreement violated
- H. Description of actions that will resolve the grievance

Section 9.10 Class Action Grievance

Where a group of Employees desire to file a grievance involving a situation affecting each Employee in the same manner, one (1) Employee selected by such group may process the grievance as a class action grievance, provided each Employee desiring to be included in the class action grievance signs said grievance.

Section 9.11 Scheduling of Grievance Hearings

A grievance hearing at Step 1 called for in this Article may be scheduled anytime during the shift but not later than one (1) hour before the end of the grievant's

shift. Grievance hearings at Steps 2, 3, and 4 called for in this Article may be scheduled at the discretion of the Department Head or City Manager, whichever is applicable, taking into consideration the grievant's work shift and subsequent appropriate rest time.

ARTICLE 10

RESIGNATION

Section 10.1 General

Any Employee whose termination is sought for any reason, other than a criminal violation, may resign at any time prior to issuance of the decision of a Section 11.3 Hearing. The Employee's work record as it pertains to the resignation shall show only that he resigned of his own accord. Upon request, a copy of the work record shall be furnished to the Employee.

If an arbitrator has been selected in accordance with this Agreement, and the Employee resigns under the provisions of this Article, then the Bargaining Unit shall be deemed to be the party losing the grievance, and shall be responsible for any expenses incurred with respect to the arbitrator's costs.

ARTICLE 11

The City agrees that, where appropriate, it will apply a policy of progressive and corrective discipline, with the progressive steps as follows: oral reprimand; written reprimand; suspension; demotion; or dismissal.

No Employee shall be suspended, demoted or dismissed from duty without first being afforded the opportunity for a pre-disciplinary conference before the City Manager or his designee as provided below, except where it is necessary to immediately place employee on paid administrative leave due to gross misconduct.

Gross Misconduct – Defined as those infractions that are of a very serious or possibly a criminal nature and/or which cause a critical disruption to the City of Napoleon in terms of decreased productivity, efficiency and/or morale. These types of infractions, if left undisciplined by proper authority, may have a long lasting and serious adverse impact on the City of Napoleon's operations.

When an Employee has been relieved without a pre-disciplinary conference, the Employee shall be afforded a pre-disciplinary conference within seventy-two (72) hours, excluding Saturdays, Sundays and holidays. The Employee's pay status for the days which he was on paid administrative leave shall be determined at the pre-disciplinary conference.

Section 11.3 Procedure In Serious Cases

When an Employee is to be charged with a violation that is likely to result in the Employee receiving a suspension, demotion or dismissal, the following shall apply:

- A. The Employee shall be given a notice five (5) calendar days in advance of the

hearing and that notice shall advise the Employee of the general nature of the suspected violation.

- B. The Employee shall be advised in the notice of his right to be represented by a Bargaining Unit representative at such hearing.

Any written reprimand, suspension, demotion or dismissal may only be appealed through the grievance procedure as provided for in this Agreement.

Disciplinary action must begin within twelve (12) calendar days of the Employer having knowledge of the occurrence of the incident giving rise to the discipline, understanding that the Employer may require more than twelve (12) calendar days to thoroughly investigate the occurrence to ensure that disciplinary action is appropriate. Employer may request an extension of the twelve (12) calendar day time limit in writing to the Union if more time is needed to investigate the incident giving rise to the disciplinary action and shall be granted if the request is reasonable. Failure of the Employer to pursue discipline within the time limit set forth above bars the Employer from bringing discipline on the incident in the future or attaching it to a subsequent incident as discipline.

Section 11.4 Oral and Written Reprimands

When it becomes necessary for a supervisor to reprimand an Employee, it shall be done with discretion in a manner so as not to cause public embarrassment to the Employee.

In the event that a supervisor finds it necessary to orally reprimand an Employee and determines to keep a record of that oral reprimand, the Employee shall be made aware that a record of such oral reprimand is being maintained in the City's files or records.

An Employee may appeal an oral reprimand through the grievance procedure but is limited in the appeal process to a maximum of Step 3 in the grievance procedure, and may not request arbitration.

The supervisor shall provide the Employee with a copy of any written reprimand or any record of oral reprimand entered in the Employee's file. The Employee shall acknowledge receipt of same by signing and dating the original copy of such record.

ARTICLE 12

For the purpose of disciplinary action, an Employee's personal service record shall be marked closed in accordance with the following schedule:

ARTICLE 14

SENIORITY AND RELATED MATTERS

Section 14.1 Computation of Seniority

Seniority, for the purposes of this Agreement, is defined as the length of continuous service in the bargaining unit, hereinafter referred to as Bargaining Unit seniority, as well as in relation to any of the other departments outlined in the Recognition clause; hereinafter referred to as Departmental Seniority. When requested, the Employer shall provide updated seniority lists which shall provide the employee's date of employment. This list shall be posted for all employees to see.

Section 14.2 Bargaining Unit Seniority

Bargaining Unit Seniority begins the first day of City employment in a position covered by the collective bargaining agreement, subject to Section 4.4. Bargaining Unit seniority shall be measured in calendar days of employment. If two (2) employees begin employment in the Bargaining Unit on the same day, the employee who applied for the position first will be considered to be the more senior. A break in service shall only occur by separation of employment or by transfer out of the bargaining unit to a position elsewhere within the City. In the event an employee returns to the bargaining unit, the employee shall retain seniority earned prior to the separation, but shall not earn seniority during the time separated.

Section 14.3 Departmental Seniority

A break in service shall occur upon promotion/lateral transfer/demotion to another department within the bargaining unit. An employee who returns to his/her former position will not constitute a break in service, provided he returns within sixty (60) days.

Employees who take a position in a department outside of their current department cannot exercise the use of their new departmental seniority for bidding in the new department until the completion of their promotional/lateral/demotional probationary period.

Seniority, as described in this section, applies to Article 16, Promotions, Assignments and Transfers.

Section 14.4 Part-Time Employee Seniority

Permanent part-time employees in the Bargaining Unit shall accrue pro-rated seniority based on OPERS service credit earned only while employed by the City of Napoleon.

Section 14.5 Probationary Period

Newly appointed Employees in the following classifications shall serve a six (6) month probationary period:

- A. Laborer
- B. Municipal Service Worker I
- C. Meter Reader
- D. Parks and Recreation Worker I

All other newly appointed Employees shall serve a probationary period of one (1) year.

New Employees shall have no seniority during their probationary period, but upon completion of the probationary period, their seniority date shall be as of the original date of current appointment. Employees who have completed their probationary period shall be known as permanent Employees and the probationary period shall be considered as part of their seniority time for the purpose of determining their entitlement to all fringe benefits, as well as their continuous service date. Absence from work for any reason shall not be included in calculating an Employee's probationary period.

Section 14.6 Time Spent on Authorized Leave of Absence

Time spent on any authorized leave of absence is to be counted in determining length of service for purposes of vacation eligibility or other purposes where seniority is a factor.

ARTICLE 15

LAYOFF AND RECALL PROCEDURES

Section 15.2 Notification Requirements

In the event of a long-term layoff, employees shall be notified twenty-one (21) calendar days in advance of the effective date of the layoff. Employees will be notified of the City's decision to implement any short-term layoff lasting seventy-two (72) hours or less as soon as possible.

Section 15.3 Priority of Employees Laid Off

In the event of a layoff, whether long term or short term, employees will be laid off in accordance with their Departmental seniority by job classification (last hired, first laid off). The employee with the least Departmental seniority in the Department and job title which is designated for layoff shall be notified of the layoff and shall have the right to displace another employee at the same or lower classification who has less total City seniority, provided that the initially laid off employee is qualified to perform the work of the new position. Any employee displaced by this procedure shall have the right to displace another employee by the same procedure. This process may continue until the least senior employee is laid off.

Section 15.4 No New Hire Before Recall

Vacancies and/or newly created positions shall be filled first by those employees on lay off provided they are qualified to fill the new positions or vacancies, unless such laid off employee refuses a recall to the position to be filled or fails to respond to a recall notice in a timely manner.

Section 15.5 Recall Period

Employees who are laid off are subject to recall from lay off for a period of two (2) years. After that time, they shall be deemed to be permanently separated from City service, and no longer on layoff.

Section 15.6 Priority of Recall

A recall from lay off shall be based on Departmental seniority by job classification (last laid off, first recalled). Notice of recall from a long term lay off shall be by certified or registered mail. The City shall be deemed to have fulfilled its obligations by mailing the recall notice to the last mailing address provided by the employee.

Section 15.7 Response Time to Recall Notices

In the case of long term lay off, the employee shall have fourteen (14) calendar days following the date of mailing the recall notice to notify the City of his

intention to return to work, and shall have ten (10) calendar days following notification to the City of his intent to return to work in which to report for duty, unless a different day for returning to work is otherwise mutually agreed in writing.

Section 15.8 Subcontracting

The City shall not subcontract elements of work which will directly result in the layoff, or continued layoff, of any employee(s) who normally and customarily perform(s) similar work in the Department where the layoffs would or have occurred.

Nothing in this Section, Article or Agreement shall preclude the City from discontinuing a service it now provides and laying off employee(s), nor shall it preclude the City from subcontracting the work if the City determines that the needs of the public are best served by such action.

In the event the City determines that it is in the public interest to discontinue a service and/or to subcontract work performed by bargaining unit members, it shall provide a detailed explanation including a financial analysis of why the determination to discontinue a service and/or to subcontract work was made. The City shall give six (6) months advance written notice to the local Bargaining Unit president of such determination. Grievances over whether the subcontracting violates this provision of the Agreement shall be filed at Step 3 of the grievance procedure outlined in Article 9 of this Agreement.

Section 15.9 Seasonal and Temporary Workers

No seasonal or temporary workers will be hired where such workers would directly cause layoffs of employees who normally and customarily perform similar work in the Department where the layoffs would occur.

Any laid off employee who, possesses the qualifications needed to perform seasonal or temporary work similar to that performed in the department where the layoffs would occur shall have the opportunity to displace any seasonal or temporary employee whose essential and primary job duties consist of performing such work, in accordance with the applicable provisions of this Article.

If a laid off employee is hired as a seasonal or temporary employee, he shall be paid the seasonal or temporary rate.

ARTICLE 16

PROMOTIONS, ASSIGNMENTS AND TRANSFERS

Section 16.1 General

- A. The City shall have exclusive control of the promotion, assignment and transfer of all employees.

In assigning employees to special positions, duties, or assignments, the City will offer, to the extent possible, these positions duties or assignments to all qualified personnel. The City shall consider the following criteria in determining who shall serve in the available position, duty or assignment: experience, specialized training, job evaluations, seniority, physical and mental capabilities, current title, and impact of the assignment upon other operations of the City.

The assignment shall be given to the employee who, at the sole discretion of the City, best meets the above criteria.

- B. If the assignment is expected to last more than thirty (30) calendar days, one (1) copy of the position description will be given to the Bargaining Unit president and the City will post one (1) copy on each Bargaining Unit Bulletin Board, at least five (5) work days in advance of the date anticipated the special position, duty or assignment is to start, to permit employees to submit an application outlining their qualifications. The position description shall include: information regarding hours of work, work week, duties, duration, possibility of overtime and location.

Employees submitting application will be given an opportunity for an interview prior to selection of the individual who will be assigned to the special position, duty or assignment. If any qualified employee(s) apply for the special position, duty or assignment, it shall be given to the best qualified employee applicant. If two (2) or more otherwise equally qualified employees apply for the special position, duty or assignment, it shall be given to the most senior employee applicant. If there are no applicants for the assignment, the least senior qualified employee will be selected for the special position, duty or assignment.

- C. Employees assigned to special positions, duties or assignments will be paid in the position title at a step that is greater than their current position title and step in accordance with Article 45. If the employee selected was receiving acting pay for this special position, duty or assignment, the employee will be paid at a step in the class that is greater than if the employee were receiving acting pay. Longevity will be adjusted according to the position being assigned.

Section 16.2 Vacancies in the Bargaining Unit

When the City determines that a vacancy exists within the Bargaining Unit, one (1) copy of the position description will be given to the Bargaining Unit president and the City will post one (1) copy on each Bargaining Unit Bulletin Board. Any

employee may apply for the position by filing an application therefore with the appropriate Department Head within a period to be specified on the job notice, which shall be not less than ten (10) calendar days after the City posts the notices, unless a shorter time period and/or alternate method is mutually agreed to by the City and the Bargaining Unit.

If any qualified employee(s) apply for the position, it shall be given to the best qualified employee applicant. If two (2) or more otherwise equally qualified employees apply for the special position, duty or assignment, it shall be given to the most senior employee applicant.

If no qualified employee applies for the position within ten (10) calendar days of its posting, it may be filled from outside the Bargaining Unit.

The posting shall include the title of the job, a description of the job, the rate or range of pay for the job, and the location of the job.

Section 16.3 Transfers, Promotions and Demotions

If an employee is promoted or transfers voluntarily from one Department to another, he shall be subject to a sixty (60) calendar day probationary period. The employee shall have thirty (30) calendar days in which to voluntarily return to his former position. The City may return the employee to his former position at any time during the sixty (60) day probationary period.

If an employee is involuntarily transferred from one Department to another, he shall be subject to a one (1) year probationary period. If he should be unsuccessful in his new position he may be laid off if no other suitable position exists within the Bargaining Unit, although the City shall use its best efforts to attempt to retain the employee in the City service.

Promotions shall go to the step in the new classification that results in a pay raise. The Promotion date then becomes the date for subsequent step increases. Transfers (moving within a classification or between classifications with the same pay) shall remain in the same step and the transfer date has no impact on the date for subsequent step increases.

Demotions, voluntary or involuntary, shall go to the step in the new, lower classification that is equal to or if none, lower than the step previously held. The demotion date has no impact on the date for subsequent step increases.

Section 16.4 Seniority and Transfers Within Bargaining Unit

If an employee applies for a transfer to another Department within the Bargaining Unit, and such application is granted, the employee will lose all seniority rights which would apply to the new Department, and will be placed at the bottom of the seniority list of the Department to which he has transferred.

In the case of involuntary transfers to another Bargaining Unit position, the employee will retain all seniority rights which he would have had if he had not been transferred.

Section 16.5 Amendments to Existing Job Descriptions

The City may amend existing job descriptions from time to time as needed for its operational purposes. The City shall present a copy of the amended job description to the local Bargaining Unit president at least seven (7) calendar days before the new job description shall take effect, together with sufficient copies of the amended description for distribution to any employee in the classification so amended. If the employee or the Bargaining Unit believes a violation of the Agreement has occurred as a result of any such revision to a job description, the Bargaining Unit may request, within seven (7) calendar days of receipt of the amended job description, a Labor Management conference.

If the issue cannot be resolved at the Labor Management conference, the employee may file a grievance as provided for in this Agreement. During the course of scheduling and holding any Labor Management conference, or in any subsequent grievance process, any employee affected by the proposed change in job description shall use his best efforts to carry out his duties under the new job description.

ARTICLE 17

The authorization of a leave of absence without pay is a matter of administrative discretion. The City shall decide in each individual case if a leave of absence is to be granted, within the limitations of this Agreement.

B. Sick Leave Credit and Vacation Credit

An employee on leave of absence without pay does not earn sick leave or vacation credit; however, the time spent on authorized leave of absence is to be counted in determining length of service for purpose of extended vacation eligibility or other purposes where seniority is a factor.

C. Falsification of Leave

Any leave of absence obtained through false representation, deceit, or fraud may be cause for disciplinary action up to and including dismissal. Leaves of absences will not normally be granted for the purpose of working elsewhere, which includes self-employment.

Such request from the Bargaining Unit must be in writing thirty (30) days prior to the end of the six (6) month Disability Separation Period.

If the classification the employee held at time of separation no longer exists or no longer is utilized by the City, the employee shall be placed in a similar classification. If no similar classification exists, the employee may be laid off.

- C. Any appointment to a position vacated by disability separation will be on a temporary basis, and the person accepting such position must be made aware of its temporary nature.
- D. Should an employee returning from disability separation be reinstated to another position, the position held by the employee temporarily assigned shall be permanently filled in accordance with provisions of this Agreement. The temporarily assigned employee shall be considered, in line with seniority, for all vacancies for which he otherwise qualifies.

- A. that a physician has reviewed the essential functions of the job,
- B. that the employee is able to perform the essential functions of the job with or without reasonable accommodation,
- C. that, if the employee requires reasonable accommodation, exactly what the accommodation shall be, and,
- D. that the employee does not pose a direct threat to health or safety of the employee or others.

The cost of providing this medical documentation shall be borne by the employee.

The City shall, upon written request of the employee seeking reinstatement, provide to the employee a detailed list of the essential functions of the job.

The employee shall not be required to disclose the existence or the severity of any disability(ies) he may suffer from. However, if the employee requires and/or is seeking reasonable accommodation for a disability, he shall identify the accommodation needed in his application for reinstatement.

The City reserves the right to determine the reasonableness of any special accommodation sought, and the right to deny reinstatement if the City determines that the accommodation is unreasonable.

Failure to disclose any accommodation needed for a disability in the application for reinstatement shall be grounds for disciplinary action, including dismissal.

Section 17.6 Medical Examination by City

Within seven (7) days of receipt of a complete application for reinstatement, the City shall do one (1) of two (2) things:

- A. Reinstatement the employee to his position, as set forth above in this Article; or

B. Advise the employee in writing that an additional examination is required.

This additional examination prior to returning to service shall be used to determine:

- 1.) If the employee is able to perform the essential functions of the job with or without reasonable accommodation,
- 2.) If the employee requires reasonable accommodation, exactly what the accommodation shall be, and
- 3.) If the employee poses a direct threat to health or safety of the employee or others.

The cost of providing this additional examination shall be borne by the City.

The City shall provide its physician and the employee a detailed list of the essential functions of the job.

The examination must be job and condition related only and will not necessarily be a full physical examination.

The employee shall not be required to disclose the existence or the severity of any disability(ies) he may suffer from. However, if the employee is seeking reasonable accommodation for a disability, he shall identify the accommodation needed to the City's physician.

If the employee is found to be able to perform the essential functions of the job without special accommodation, the physician shall report this to the City, and the employee shall be reinstated to his position within seven (7) days of the receipt of the physician's report by the City.

If the employee is found to be able to perform the essential functions of the job but only with the use of special accommodations, the physician shall report this to the City, and shall indicate exactly what special accommodations are required. The City shall then determine whether the accommodations are reasonable and shall:

C. Reinstatement the employee to his position, as set forth above in this Article;
or,

D. Advise the employee in writing that he shall not be reinstated.

If the employee is found to be unable to perform the essential functions of the job with or without special accommodation, the physician shall report this to the City, and the City shall advise the employee in writing that he shall not be reinstated.

Section 17.8 Appeals on Failure to Reinstate

If an employee is not reinstated pursuant to the procedures outlined above, he may appeal in writing to the City, within ten (10) days of receiving notice from the City that he is not to be reinstated.

The following procedures shall then apply. The City and employee shall jointly ask their respective physicians to select a neutral, third licensed medical doctor to examine the employee. This additional examination prior to returning to service shall be used to determine:

- A. If the employee is able to perform the essential functions of the job with or without reasonable accommodation,
- B. If the employee requires reasonable accommodation, exactly what the accommodation shall be, and
- C. If the employee poses a direct threat to health or safety of the employee or others.

The cost of providing this additional examination shall be borne equally by the employee and the City, and each shall pay any fees charged by the original two (2) physicians in setting up this third (3rd) medical review.

The City shall provide the doctor and the employee a detailed list of the essential functions of the job.

The examination must be job and condition related only and will not necessarily be a full physical examination.

The employee shall not be required to disclose the existence or the severity of any disability(ies) he may suffer from. However, if the employee is seeking reasonable accommodation for a disability, he shall identify the accommodation needed to the doctor.

If the employee is found to be able to perform the essential functions of the job without special accommodation, the doctor shall report this to the City, and the employee shall be reinstated to his position within seven (7) days of the receipt of the doctor's report by the City.

If the employee is found to be able to perform the essential functions of the job but only with the use of special accommodations, the doctor shall report this to the City, and shall indicate exactly what special accommodations are required. The City shall then determine whether the accommodations are reasonable and shall either:

- 1.) Reinstate the employee to his position, as set forth above in this Article, or
- 2.) Advise the employee in writing that he shall not be reinstated.

If the employee is found to be unable to perform the essential functions of the job with or without special accommodation, the doctor shall report this to the City, and the City shall advise the employee in writing that he shall not be reinstated.

Prior to being examined by the City's physician, or by the (3rd) third doctor, the employee shall sign a release form authorizing the relevant doctor or physician to release his opinion as required under these procedures.

If, at any stage in this process, the City determines that the cost of accommodating an employee's disability is unreasonable, the employee or the Bargaining Unit may appeal this determination through the grievance procedure.

Section 17.9 Abuse of Disability Separation

APPLICATIONS FOR TIME OFF

Section 34.1 Scheduling of Time Off

The following guidelines will be followed when applying for and authorizing time off. Vacation, holidays, personal days, and compensatory time are considered time off. Any and all combinations of the above may be used when applying for time off.

<i>Number of Days Requested</i>	<i>Minimum Notice</i>	<i>Cannot Be Bumped After</i>
Less than 5 days	7 days	7 day minimum notice period has expired
5 plus days	35 days	35 day minimum notice period has expired

Priority for time off within the above categories will be determined by seniority from an employee's most recent employment date. The minimum notice date given above shall also be deemed to be the application date for the purposes of this section, regardless of when the application for time off is actually received, for purposes of comparisons for seniority rights.

Alternative guidelines to the above may be developed from time to time by the mutual consent of both parties to this Agreement.

Exceptions to minimum notice may be permitted if no schedule change is needed to accommodate such exceptions, or for exceptional circumstances subject to the approval of the Department Head.

Authorization of time off is subject to available personnel, and the recognized City objective of minimizing overtime paid.

Section 34.2 Time Off Usage

Unused sick leave shall accumulate without limit.

Section 35.2 Retention of Sick Leave

An employee hired after the effective date of this Agreement who transfers from a public agency shall retain credit for any sick leave earned at that agency, so long as he is employed by the City, except that deduction shall be made for any payment or credit given by the previous agency in lieu of taking sick leave. The previously accumulated sick leave of an employee who has been separated from public employment shall be placed to his credit upon his re-employment in the City provided that such re-employment takes place within ten (10) years of the date on which the employee was last separated from public employment.

Sick leave transferred in from another public agency may be used only to extend sick leave coverage while in the employment of the City, and only after all sick leave earned at the City has been exhausted.

Sick leave transferred in from another public agency may not be used in computing sick leave conversion for retirement or additional vacation leave purposes.

Section 35.3 Expiration of Sick Leave

If illness or disability continues beyond the time covered by earned sick leave, the employee may apply for a disability separation or a personal leave in accordance with this Agreement.

Section 35.4 Charging of Sick Leave

Sick leave shall be charged in minimum units of fifteen (15) minutes. An employee shall be charged for such leave only for days upon which he would otherwise have been scheduled to work. Sick leave payment shall not exceed the normal scheduled work day or work week earnings.

Section 35.5 Uses of Sick Leave

- A. Sick leave shall be granted to an employee only upon approval of the City and for the following reasons:
 - 1.) Illness, injury, medical examination or treatment of the

employee during non-working hours. The employee shall be required to produce satisfactory documentation that any medical examination or treatment could not be scheduled during non-working hours.

- 2.) Illness, injury, medical examination or treatment of a member of the employee's immediate family which requires the care and attendance of the employee. The employee shall be required to produce satisfactory documentation that the medical examination or treatment could not be scheduled during non-working hours.
 - 3.) Affliction of a member of the immediate family with a contagious disease such that the presence of the employee at his job would jeopardize the health of others due to the nature of the contagious disease.
 - 4.) Pregnancy and/or childbirth and other conditions related thereto.
- B. For the purpose of this Section, immediate family shall include the employee's father, mother, spouse, child, stepchild in residence or other person whom the employee stands in "Loco Parentis". The immediate family illness provision shall be for a limited period of time (not to exceed three (3) days) to enable the employee to secure other arrangements for the care of the member of his immediate family, except as may be approved by the City Manager in his discretion in unusual and exceptional circumstances.

Section 35.6 Notification By Employee

When an employee is unable to report to work, he shall notify his immediate supervisor, or other designated person, fifteen (15) minutes before the time he is scheduled to report to work on each day of absence, unless emergency conditions make it impossible or other arrangements have been made in advance with the supervisor.

Section 35.7 Abuse of Sick Leave

Employees failing to comply with sick leave rules and regulations shall not be paid. Application for sick leave with intent to defraud will result in denial of pay to cover the day(s) in question and may result in disciplinary action up to and including dismissal. If pay has been received for sick leave for which there was no entitlement, the City shall have the right to recover from the employee any money wrongly paid.

Sick pay is not to be made to any employee as a result of any action within the control of the employee such as intentional self-inflicted wounds, use of drugs, or alcoholic beverages, or while committing a criminal action. This provision shall not apply to sick leave used for the purposes of bona fide drug treatment, alcohol treatment or mental health treatment programs.

Section 35.8 Evidence Required for Sick Leave Usage

Any employee requesting sick leave shall furnish a satisfactory written signed statement to justify the use of sick leave.

If medical attention is required, a certificate from a physician shall be required to justify the use of sick leave. Falsification of either a written, signed statement or a physician's certificate may be grounds for disciplinary action, including dismissal.

Section 35.9 Physician Statement

Employees on sick leave on more than two (2) consecutive working days shall be required to furnish a certificate from a physician notifying the City that the employee is unable to perform the job, and may be required to present a like certificate from a physician upon the employee's return to work indicating his fitness and ability to perform the job.

In addition, employees shall also be required to furnish a certificate from a physician for each illness of less than three (3) days duration for each occasion which exceeds four (4) occasions per calendar year for which no physician's certificate was presented.

Exceptions may be made to the limits listed above in certain circumstances, and only upon advance written approval of the Department Head and the City Manager.

Employees may be required to furnish a certificate from a physician for each illness of less than three (3) days duration if the City has reasonable suspicion that sick leave abuse is occurring or will occur.

Where sick leave is requested to care for a member of the immediate family, the City may require a physician's certificate to the effect that the presence of the employee is necessary to care for the ill person.

Section 35.10 Physical Examination

The City may require an employee to take an examination, conducted by a physician, to determine the employee's physical or mental capability to perform the job. If determined incapable of doing so as a result of such examination, the employee may be placed on paid leave of absence, unpaid leave of absence, or disability separation. The cost of such examination shall be paid by the City. Further appeal of the determination shall follow the procedure outlined in Article 17.

Section 35.11 Retirement Sick Leave Conversion

Unless otherwise approved by the City Manager at the request of the employee, any bargaining unit employee who retires (PERS) after ten (10) years of continuous service with the City or who dies in service after five (5) years of continuous service with the City shall be compensated for accumulated, but unused, sick leave at the time of retirement or death in the form of a lump sum payment in the following manner:

- A. One (1) day's pay for every three (3) days of accumulated but unused sick leave.

- B. Such lump sum payment shall reduce to zero (i.e. Eliminate) the employee's sick leave credit.

An employee's "daily base rate" or "day's pay" shall be figured by dividing the employee's annual base rate at the time of retirement by 2080 hours and multiplying that base hourly rate figure by eight (8) hours.

The death benefit payment shall be made to the beneficiary designated by the employee in writing on a form provided by the City. In the event that there is no such valid designation, the payment shall be made to the employee's estate upon application of the legal representative thereof.

- C. Transfer of Sick Leave – An employee who formerly worked for another public agency in Ohio, shall be given credit for any accumulated but unused sick leave provided that the employee was hired by the city within ten (10) years of the date on which the employee was last terminated from public service, and further provided that deduction from such sick leave credit shall be made for any payment or credit given by the previous agency in lieu of taking sick leave.

Transferred Sick Leave may be used to extend sick leave coverage while in the employment of the City, and only after sick leave earned at the City has been exhausted; further, unless otherwise provided, such transferred sick leave may not be used in computing sick leave payout at retirement or additional (sick leave conversion) vacation leave purposes.

Section 35.12 Sick Leave Conversion to Vacation Hours

An employee with a sick leave balance in excess of nine hundred and sixty hours (960) may use a portion of such excess sick leave as vacation time by converting three (3) sick leave days for each one (1) day of vacation time. An employee may convert up to a maximum of fifteen (15) such excess sick leave days per calendar year. However, such conversion shall not be permitted if payment of overtime to another employee becomes necessary as a result.
