## **PRESS RELEASE**

### **Seasonal Cleanup**

The City of Napoleon's fall cleanup, for those who receive regular City refuse service, is scheduled from Monday, September 30, 2019 through Friday, October 4, 2019.

A complete list of rules and regulations along with the street schedule is available at [www.napoleonohio.com](http://www.napoleonohio.com). Per ordinance #088-08, residents are reminded that material or other items placed for pick up shall be at the curb no more than five (5) days in advance of the subscriber's scheduled seasonal pick up day. Items placed at the curb earlier than five (5) days in advance of the scheduled pick up day will be treated by the city as a 'special pick up' with charges being assessed to the subscriber or person responsible for placement.

Please contact the Operations Department between 7:00 AM and 3:30 PM at 419-599-1891 with any questions regarding this matter.
