Finance Director

Kelly O'Boyle

Law Director

Billy D. Harmon

As of November 17th, 2020, the Governor of Ohio has issued new health orders as they relate to the COVID-19 pandemic. These orders have caused the City of Napoleon to adjust policies and procedures for the services that the City provides.

The following are updates to the current policies and procedures:

- The park shelter houses will be closed to the public starting on November 23rd, 2020. The Governor's Orders are prohibitive for people to utilize the shelters and remain in compliance.
- Open gyms for basketball programming and open swims are canceled until further notice. All other plans for recreation programming are still scheduled unless determined at a later date that they need to be canceled.
- The City facilities will remain open to the public, but **by appointment only**. People entering City facilities will be required to wear a mask and sanitize hands. Only one person shall be allowed to enter the building for each appointment unless authorized by the appropriate authority. Anyone that is exhibiting symptoms of COVID-19 will not be permitted to enter a City facility. Everyone is strongly encouraged to use the drive-through window or use the online service to pay bills.

If there are additional drastic increases in the number of cases in Henry County or if the Governor issues additional health orders, the City may make further changes to policies and procedures to minimize the spread of COVID-19. Please continue to visit the City of Napoleon website at www.napoleonohio.com or the City of Napoleon Facebook page for updates.
