In order to keep the general public updated on the current COVID-19 situation in Napoleon, the City will continue to provide announcements more frequently. Below are the latest announcements:

- A Secondary Fire Station is being set up now at the St. Paul Lutheran Youth Center at the corner of Glenwood Ave. and Woodlawn Ave. This is being performed as a precautionary measure in order to keep our first responders separated from each other in case they are ever exposed to the Coronavirus. We will have two (2) Firefighter/Paramedics stationed at the Primary Fire Station and two (2) stationed at the Secondary Station on each shift until further notice. Thank you to the St. Paul Lutheran Church for allowing the City to use this facility!

City Manager

Joel L. Mazur

- The City of Napoleon recently hired Tom Schuab as our newest Parks and Rec Worker III. Tom will be operating at the cemeteries. Cemetery workers are considered essential during this ordered shelter-in-place time period.

Finance Director

Kelly O'Boyle

- The Canal Basin at Riverview Ave. and Scott St. is now closed for dropping of recyclable materials to the Henry County drop off locations until further notice. This is due to the recycling company not accepting recyclable materials at this time. This operation will resume once the recycling company starts accepting materials again.

Law Director

Billy D. Harmon

- The Pool Commission will not be meeting on Wednesday, March 25th.

- The City of Napoleon Police and Fire and Rescue Departments have received generous donations in the form of money, gift cards, food, supplies and services. We would like to thank everyone for their support. Anyone wishing to donate something should contact Amanda Griffith at agriffith@napoleonohio.com.
