- The City of Napoleon has temporarily shut down the following construction projects:

- The Park St. Phase III project. Continuing construction on this project requires digging into the road. If any additional orders are given by the President or the Governor that would shut construction projects down, we would risk exposing the subgrade to the elements for potentially a long period of time without the contractor on site to protect the site. This could cause further damage to the road subgrade, which would not only delay the project further but increase the cost.

- Williams Pump Station project. Delaying this project will have minimal impact on the completion date. This is being done as a precautionary measure.

- The Municipal Pool Demolition. The project is substantially complete. Also, the workers for the contractor are having to travel to the site from another county, so both the City and contractor agreed that the project can be delayed in order to be cautious.

- From the Napoleon Municipal Court: in an effort to reduce exposure to COVID-19 and to comply with Governor Dewine's Stay at Home order and recommendations by the Ohio Supreme Court, effective March 26, 2020 and continuing until April 7, 2020, the Napoleon Municipal Court shall have the following operating hours:

- Monday and Thursday 7:30 – 4:00
- Tuesday, Wednesday and Friday 7:30 – 11:30

- The Court is continuing most of its scheduled hearings until after April 6, 2020. If you have a hearing scheduled between now and April 6, 2020 please call first to confirm that the hearing is still taking place.

- All payments must be made either on-line at www.napoleonmunicipalcourt.com, by regular US mail or by placing the payment in the night deposit box outside the courthouse.

Please continue to visit the City of Napoleon website at www.napoleonohio.com or the City of Napoleon Facebook page for updates.
