Dear Taxpayer :

As your employer does NOT withhold local income tax and/or you are self-employed, printed on the back side is your estimate payment form. Please use this form when making your estimate payments in 2019.

Chapter 194.07(B)(1) of the Codified Ordinances states:

“Every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the Tax Administrator, if the amount payable as estimated taxes is at least two hundred dollars.”

Failure to make such payments as outlined above may result in the following, per Chapter 194.10(C)(2) of the Codified Ordinances:

“With respect to unpaid income tax and unpaid estimated income tax, a penalty equal to fifteen percent of the amount not timely paid shall be imposed.”

In short, this means if estimated taxes are not paid during the year as required, a fifteen percent (15%) penalty may be added at the time of income tax filing.

If you have any questions regarding this matter, please feel free to contact our office at 419/599-2821.

Sincerely,

City of Napoleon Income Tax Department
