- All park shelter houses, including the Oberhaus, Ritter and Wayne park shelter houses, are now closed until at least April 6th. This date could change as we continue to monitor the situation. Anyone that has rented a shelter house during this time will be refunded in full.

- The City is suspending all spring sports activities until further notice.
- City parks will remain open. The park restrooms will also remain open for those that need to wash their hands.

Law Director

- The City will not be disconnecting utility services for nonpayment until further notice. Furthermore, late fees and penalties will be waived during the next billing period.
- The utility drive through window will still be open for those that would like to come to the City administration building to make payments.

- As noted before, the City of Napoleon **Spring Cleanup** event has been **postponed** until the **week of May 11th**. The reason for the postponement of this service is to limit the risk of the employees working during this event as this is one of the highest exposure risks for workers.

- Please visit the City of Napoleon Website at www.napoleonohio.com for easy access to the online services.
