

Flag Football Cancelled for 2020

Due to the current guidelines set forth by the State of Ohio for sports leagues, the City of Napoleon regrets to announce that the Flag Football program for 2nd thru 4th grade boys has been cancelled for this season. According to the local health department, Flag Football is classified as a "contact sport" which imposes a number of onerous guidelines and requirements for all participants, volunteer coaches, league coordinators and spectators.

Guidelines for Contact Sports:
