- The Williams Pump Station project will continue as the workers are able to maintain distance between them as per the Governor's Orders.
- The Municipal Pool Demolition. The project is substantially complete. The City and contractor agreed that the project can continue as the workers are able to safely remain separated while performing the work.
- The City of Napoleon will continue to keep the Park Street Phase III project shut down until further notice. As stated previously, if any additional orders are given by the President or the Governor that would shut construction projects down, we would risk exposing the subgrade to the elements for potentially a long period of time without the contractor on site to protect the project. This could cause further damage to the road subgrade, which would not only delay the project further but increase the cost.
- The Napoleon Municipal Court: All cases shall be continued to a date after May 1, 2020. The exception shall be offenses in violence, cases in which a Defendant is incarcerated and felonies. The Court may at its own discretion elect to hear certain cases where it deems necessary to do so in the interest of justice. Effective April 6, 2020 and continuing through May 1, 2020, the hours of the Municipal Court will be Monday – Friday, 7:30 a.m. – 11:30 a.m. Please check with the Municipal Court if you have any questions about procedural changes.
- Utility/Tax Department: The Drive-Thru window for Utilities and Income Tax payments will continue to be closed until further notice. You will still be required to make our Utility and Income Tax payments as normal, but you can either mail payments, place them in the Night Drop Box or pay online. You may also call 1-866-874-1679 (Utilities) by credit card. Please be advised per the IRS filing and payment deadlines have been extended to July 15<sup>th</sup>.
