## Rules and Regulations

The Napoleon City Council has adopted a new policy for storage of private boat docks in Ritter Park. Beginning in the Summer of 2016, the following policy shall apply:

- Privately owned docks may be stored at the City of Napoleon owned Ritter Park boat launch area parking lot (West side) as space permits.
- **Dock storage fees shall be \$50.00 annually payable to the City of Napoleon**
- Any privately owned dock stored at Ritter Park shall have a valid permit tag issued by the City of Napoleon. Tags can be purchased at the Napoleon City Building. Docks shall visibly display a permit tag while it is being stored at the site. Any dock that does not display a valid tag shall be removed from the site at the owners' expense.
- Private docks may only occupy one (1) parking stall per owner. Dock equipment shall not extend beyond the length of the parking spaces. Additional space will require additional fees. (ex. a lift in addition to a dock shall require an additional tag)
- Docks shall be stored in a safe, secure manner and shall be raised off of the parking surface with concrete or wooden blocks, clean barrels, or similar objects.
- Docks may not be stored until after Labor Day.
- Docks must be removed from the storage area no later than the date posted in the area where the dock is stored (see below). Docks not removed by the posted date shall incur additional fees and /or removal from the site at the owner's expense. Exceptions be made only at the discretion of the City of Napoleon.
- Private docks shall be stored at the owner's risk. The City of Napoleon is not responsible for any lost or stolen docks and/or equipment associated with it being stored at this location. A release and waiver of liability shall be signed by the dock owner and kept on file at the City of Napoleon.
