CITY OF NAPOLEON SEASONAL CLEANUP

The following rules and regulations shall be effective for seasonal cleanup:

1. Materials must be in containers and kept dry.
2. No containers larger than thirty (30) gallons or weighing more than fifty (50) pounds.
3. All unmarked containers will be considered as left for disposal.
4. Material must be covered during rain or strong wind to avoid wetness and blowing.
5. Building material shall not be larger than four feet (4') in length and three feet (3') wide. Loose items must be boxed or bagged. The weight of such containers shall not exceed fifty (50) pounds. Carpeting or padding shall be in rolls no wider than four feet (4') and tied with a cord.
6. No material shall contain nails that have not been bent over.
7. It is prohibited to have rocks, bricks, concrete blocks or plaster weighing in excess of fifty (50) pounds.
8. It is prohibited to mix regularly scheduled refuse with material scheduled for this pick up.
9. It is prohibited to place for pickup brush, limbs, or other yard waste material.
10. It is prohibited to place for pick up liquid waste, including but not limited to: paint, household chemicals, used motor oil, antifreeze, and tar. Household chemical containers and pesticides must be rinsed prior to placement for pickup and when applicable, in accordance with product labeling instructions (triple rinse for pesticides).
11. Paint cans or tar buckets must have the lids removed and remaining paint or tar completely dry. Paint will be accepted in the following ways: (i) wood or cardboard may be painted to use up the remaining paint; or, (ii) cat litter or floor dry may be used to make the paint a thick paste; thereafter, so long as the container is dry, the material may be included for pick up.
12. Refrigerators and/or freezers must have the doors removed and the contents emptied prior to pick up.
13. Whiteware shall be tagged in accordance with approved refuse tags and amounts as established by the city. Refuse tags for refrigerators and/or freezers must be on the unit and not on the removed door.
14. Any items not properly tagged or placed for pick up, in a manner that appears to be intended for pick up, shall be deemed authorized by pick up and will be treated by the city as a "special pick up" with charges being accordingly assessed.
