

Napoleon Parks and Recreation are proud to announce:

December '16 Programming

www.napoleonohio.com/outdoor-education

Dates of Upcoming Programs

Show me Snow- Discover the amazing journey that a simple water molecule takes to becoming a snowflake and then use spectacular science to make your very own! Ages: Families (only register children)

- **December 3rd from 10:00-11:30 AM**
- Cost is \$5.00
- Registration Required

Soilscapes- Celebrate world soils day by discovering all of the different types of soil found below your feet and around the world. Collect real data to report back to NASA scientists and create a beautiful painting using different colored soils from around the world! Don't miss out! Ages: 7-10

- **December 5th from 4:00-5:30 PM**
- Cost is \$5.00

Winter Time for Wildlife: Ages 2-4

Animals get through winter in a number of different ways. Come explore the amazing world of animals as we embark on this engaging, hands-on, hour and a half of discovery. Ages 2-4

- **December 13th from 1:00-2:30 PM**
- Cost is \$5.00
- Registration is Required
