Billy D. Harmon

- The Spring Cleanup will start on Monday, May 11<sup>th</sup>. In order to help protect the City of Napoleon staff, the City will be strictly enforcing the Seasonal Cleanup Rules. See the rules at <http://www.napoleonohio.com/city-government/departments/public-works-department/sanitation/> Residents are strongly encouraged to place their waste for the seasonal cleanup to the curb at least four (4) days in advance of the date of the scheduled pickup. We are asking for your patience during this time. Staff is expecting a larger than normal amount of garbage to be picked up. Also, the City is still not using labor from the inmates at CCNO to assist since the work release program is still suspended. Lastly, the workers are being instructed to take their time as they work through this Seasonal Cleanup to help prevent the spread of COVID-19 to the workforce.
- Garage Sales are allowed to be held starting on May 12<sup>th</sup> and as long as the guidelines of the Ohio Department of Health are followed. The attached document explains the guidelines that people must use for having garage sales.
- Staff has received a number of complaints regarding unlicensed golf carts driving on the streets during this Spring. Golf carts can be licensed and driven on City streets with speed limits of 35 mph and under, with the exception of Scott Street north of the Lagrange Street intersection. Below is the link to the City golf cart inspection sheet. Please contact the City of Napoleon general phone number at (419) 592-4010 during regular business hours if you have questions or need additional information. If anyone observes an unlicensed golf cart driving on a street, please contact the Napoleon Police Department immediately.
