

Staff Engineer

The City of Napoleon is currently accepting applications for the position of Staff Engineer. This position is responsible for engineering design and construction inspection. Graduation from an accredited engineering school of recognized standing with a Bachelor of Science in Civil Engineering (B.S.C.E.) or related field is required. Applicants must be able to obtain within one year a Fundamentals of Engineering (F.E.) or Engineer in Training (E.I.T.) certificate. This is a full-time position with a pay rate of \$22.84 up to \$32.00 per hour with the possibility of a promotion once Licensure is completed as outlined above. A valid State of Ohio's Driver's license is required. Applications may be obtained from the City of Napoleon's Administration Building, 255 W. Riverview Avenue, P.O. Box 151, Napoleon, Ohio, 43545 or from www.napoleonohio.com. A completed application must be returned to the above address to be considered. **The City of Napoleon is an Equal Opportunity Employer.**

City of Napoleon

Staff Engineer

Department: Engineering
Reports To: City Engineer
FLSA Status: Hourly (Non-Exempt)
Civil Service: Classified (Non-Competitive)
Union: Non-Bargaining
Approved By: Monica Irelan, City Manager
Approved Date: October 26, 2016

SUMMARY

This position is hourly and primarily consists of office and field work that is directly related to the design of engineering projects. The work requires public contact and the exercise of engineering judgment. The employee in this class may work under close or general supervision depending upon the nature of the assignments. The work is checked in general manner by the City Engineer. The work is performed under the supervision of the City Engineer.

ESSENTIAL DUTIES AND RESPONSIBILITIES include the following. Other duties may be assigned as required.

- CAD design of City streets, sidewalks and utilities.
- Surveying in conjunction with the design of construction projects.
- Field inspection of construction projects.
- Preparation of specifications for City projects.
- Preparation of funding applications.
- Any other duties as assigned by the City Engineer.

QUALIFICATIONS

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily with or without reasonable accommodation. The requirements listed below are representative of the knowledge, skill and/or ability required.

- Knowledge of the principles and practices of civil engineering as related to the preparation of plans and specification for a wide variety of public works projects.
- Knowledge of land and engineering survey systems, methods and techniques.
- Knowledge of constructions materials and of approved standards of safety as related to structural designs and specifications.
- Must be able to understand and carry out complex oral and written directions.

EDUCATION and/or EXPERIENCE

Graduation from an accredited engineering school of recognized standing with a Bachelor of Science in Civil Engineering (B.S.C.E.) Degree; or any equivalent combination of experience and training that provides the required knowledge, skills and abilities.

LANGUAGE SKILLS

- Must be fluent in both written and spoken English.

REASONING ABILITY

- Must be able to establish and maintain effective working relationships with employees and public.
- Must demonstrate character traits that would not be detrimental to the successful performance of the position.
- Must not have any felony convictions or dismissal from public service.

CERTIFICATES, LICENSES, REGISTRATIONS

- Must possess or be able to possess a Fundamentals of Engineering (F.E.) or Engineer in Training (E.I.T.) certificate within one year of employment.
- Must possess a valid Ohio Driver's License.

PHYSICAL DEMANDS

- Must be able to lift up to 20 lbs.

WORK ENVIRONMENT

This job must be performed on-site, unless otherwise directed.

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily with or without reasonable accommodation and possess or have the qualifications listed. The requirements listed are representative of the knowledge, skill, and/or physical ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
